Transport control of purchasing supplies EU / RoW (*not Germany and AMCAS region*)

Dear sirs,

for goods which we refer to you on the basis of the delivery condition "EXW - ex works" or "FCA - free carrier", transport costs to be charged to ASM AS, please pay attention to the following shipping regulations:

1) Package Delivery - Standard - International

For deliveries of 0.5 kg to 60.0 kg chargeable weight, we ask for transport by TNT Express GmbH. Please use the **LINK** attached to "myTNT.com" for order. Please use your own TNT customer no. or we ask for registration.

https://my.tnt.com/myTNT/registration/Register.do?respLang=de&respCountry=de

Please use only service option: Express or Economy Express

Contact TNT - Tel.: +49-0811-9980-300; Fax: +49-0811-9980-309
ASM AS GmbH & Co. KG – Account # 70551501

For deliveries with a weight of more than 60.0 kg, please ask for instructions on the transport service provider to be used with ASM AS SCM 51.

Determination of chargeable weight per package:

length (cm) x width (cm) x height (cm) **:** 5000 (Vol. Factor)

Example: 1 package	60 x 50 x 40 cm	→ effektive weight 14,0 kg
	60 x 50 x 40 cm **:** 5000	→ chargeable weight 24,0 kg

(The higher weight in each case is regarded as the consignment)

ASM AS SCM 51 – Mr. Florian Schönweitz - florian.schoenweitz@asmpt.com - Tel.: +49-89-20800 54843

P L E A S E N O T E:

- The shipping method mentioned under 2) may only be used if it is approved by the ordering ASM AS department.

- The Supplier shall be responsible for orders placed on the delivery condition "free delivery", transport costs at the expense of the sender, for the commission of the service provider and the in-time delivery of goods to ASM AS GmbH & Co. KG.

G E N E R A L:

We point out that,
- at freight documents our PO or order number must be indicated
- freight charges ex vendor are not accepted on the delivery condition "free delivery"

In case of non-consideration, we will charge you the extra costs for freight and additional administrative expenses.

For consignments containing dangerous goods, the supplier is obliged to provide the freight forwarder with the order of the dangerous goods data required by law. The supplier is also responsible for the packaging, labeling, etc., which are compliant with the law for the transport medium (s) used.

The return of pendulum packaging is carried out regularly by our ASM AS dispatch office in Munich.
Exception: self-supplier

Best regards
Florian Schönweitz
